

Cage Captivity

By: Radhika Patel

- Dr. Amit R. Prajapati.

I being playful
Caged innocently
A bird beautiful

A bird remained bewildered sadly
It did not pay obviously
Any attention to grains offered specially

Out of sympathy
I tried to free it from cage captivity
It even did not attempt to flutter verily

Ultimately
Curiously
I accepted cage captivity

Now it is smiling
While at me looking...!!
And I struggle
To decipher its smile...
